## CHICAGO, IL

### Milwaukee and Concord

Wicker Park/Bucktown is one of Chicago's leading core, urban markets. Its close proximity to the Loop/CBD and accessibility via the CTA Blue Line have made it a haven for young, established professionals. Its density and tight retail corridors have prevented the influx of national, big-box retailers, allowing Wicker Park/Bucktown to preserve its unique urban character. The result is a blend of high-performing boutique retailers and elite national brands that cater to the area's tastemaker demographic.
